## ABOUT THE STATE.

### Items of Interest Gleaned From Our Exchanges.

The E. B. Ellis Granite Co. of Northfield have begun the erection of a large storehouse for their finished granite and rough stock to be cut.

The Christmas recess of the University of Vermont, Burlington, will extend from Thursday night, December 22, to Wednesday noon, January 4.

Mrs. J. F. Waterman has resigned her position as organist in Trinity Methodist church, Montpelier, after years of service. Her place is to be taken by Miss Edith Chase, of Boston, who came to Montpelier to be pianist for Wilder's orchestra.

Prospero Canosa, who attended school at Randolph last year, and who, for the past few months has been attending the Goddard Seminary at Barre, is visiting there before going to New York, from which place he will sail the first of the week for his home in Havana, Cuba.

A house belonging to Alburna Benson, and situated three miles from East Poulney, was destroyed by fire Monday night. The fire is thought to have been caused from a defective stove pipe. Some of the furniture was saved. The loss is estimated at more than \$2000; insured.

Laura Biggar, the actress, will receive within a week \$240,000 in securities and \$40,000 from the estate of the late Henry M. Bennett, says a Pittsburg despatch. She claimed the estate on the ground that Bennett had married her, that she had borne him a child, which died, and that she inherited through the child. She was tried in New Jersey on the charge of conspiracy and acquitted. Miss Biggar went to Pittsburg a month ago and made things lively until a compromise was effected so that she will come into part of her estate at once.

A project is under way to establish a rural free-delivery route from the White River Junction postoffice as a base, to extend within a short distance of West Hartford, taking in the residents' dist, Christian street, and the settlements of "Dothan" and "Jericho," all in the town of Hartford. It is believed that the postoffice department will approve of and establish the route as soon as the report of the inspector who examined it has been approved. There are already six postoffices in the town of Hartford, but there is a portion of the territory that can be better served by rural free delivery than by establishing another office, and it is for the benefit of the residents in this section that the new route is advocated.

The Rev. Sergwick W. Bidwell passed his 95th birthday anniversary at his home in Middlebury Tuesday, December 6. He is in fair health. December 4 he drove his own team five miles to church, assisting the pastor. He reads course print without glasses and his hearing is fair. He can preach with force, thought, and a generous flow of language, as in days of yore. His faculties and vigor indicate a little longer time on the earth. He is in deep sorrow from the death of his wife. His son, Frederick H., and wife, from Boston, are caring for him. The Rev. Mr. Bidwell

## THE POWER OF STEAM.

### Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dendruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Kicker & Wells, Special Agents.

has preached in twenty-two towns and two states, has performed about three hundred and twenty-six marriages ceremonies, and officiated at about one hundred funerals.

### Sixtieth Wedding Anniversary.

Fifty years is considered a long span of married life, but Deacon Fletcher Jones and his wife, Johnson passed the sixtieth anniversary of their marriage at their pleasant farm home in that town last Monday. Their children, Mr. and Mrs. E. P. Jones, and Mrs. S. C. Hill, drove to the farm in the evening to offer congratulations and found them well and happy. One almost unparalleled circumstance in their lives is that not once in the history of their married life has death entered the home circle. Their five children are all living, and their grand-children and one great-grandson. Surely their ways have been paths of pleasantness.

### The Oldest Person in Bethel.

Mrs. Ella Fisher, the oldest person in Bethel, was 94 years old Monday. Mrs. Fisher is in remarkably good health and her sight and hearing are only slightly impaired. She lives entirely alone in the house which became her home 72 years ago, about the time of her marriage, and performs unassisted the various household duties. She is a woman of refined tastes and devout habits, and has been during more than seventy years a member of the Gilead Methodist church. She was born in Barre, December 5, 1810, the daughter of Edward and Ruth Rice Cutts, of that town. In 1830 she was married to Josiah Fisher of Bethel, with whom she lived fifty-two years until his death in July, 1884. Mrs. Fisher's children are Edson Fisher of Bethel, who lives in the house next to hers and makes daily calls upon her, and Mrs. Caroline Bancroft of Williamstown. Her grandchildren are Mrs. C. E. Dunham of Bethel, and Walter E. Granger of Williamstown, representative of that town in the present legislature. She has eight great-grandchildren. It is a remarkable fact that in the same part of the town of Bethel are two other old persons nearly as old as Mrs. Fisher. They are Mrs. Nancy Town-end and Oliver G. Brown, aged 93 years, both of whom are living on the farms on which they were born.

### "Hot Drops" Poultry Food.

Most poultry foods contain some "hot drops" concoction that temporarily warms up the fowls and perhaps induces egg-production for a brief time but soon leaves the hens worse off than before. Eva A. Bond of East Jefferson, Maine, has evidently found a food of a different nature. Read her letter: "I have used 'Page's Perfected Poultry Food' for two years and feel satisfied it is one of the best on the market."

### Warning in Relation to Fires.

The public are hereby notified not to ring in the fire alarm on the occasion of a small fire or the burning out of a chimney, but are requested to call up the fire station at the nearest telephone connection and notify the fire department by this means. By order of the City Council.  
JAMES MACKAY, City Clerk.  
December 6th, 1904.
